Week 5

What's one song you could listen to on repeat every day?

In your own words, how would you tell somebody else what it means to worship?

What's one way you can worship God besides singing, listening to, or playing music?

Why do you think worship is an important part of your faith?

Read Psalm 103:1-2. How can worship help you connect with or know God in new ways?

What's one thing you're good at or do every day?

How can you make that an act of worship in your everyday life?
